

**Pregão Eletrônico 20/2022**

**Esclarecimento 01**

(encaminhamento por e-mail no dia 06/09/2022)

**Mensagem do Licitante:**

*“Enviamos abaixo questionamento para o pregão em referência:*

***Questionamento 01:***

*Entendemos que a apresentação de atestados de capacidade técnica comprovando experiência nos itens 1 e 3, serão suficientes para a comprovação da qualificação técnica da licitante visto que se trata da parcela mais relevante do objeto e o item 2 é integrante das funcionalidades descritas do item 1, conforme documento que enviamos em anexo. Está correto o nosso entendimento?”*

**Resposta:**

O item "2" não é integrante das funcionalidades do item "1". As funcionalidades destacadas no questionamento se aplicarão aos "endpoints" onde as licenças de usuários do Microsoft 365 E5 forem utilizadas (estações de trabalho, notebooks, smartphones, tablets, etc.). O item "2" se refere a licenças de "Defender Endpoint for SERVERS", visando estender a gestão centralizada de segurança do Microsoft 365 E5 aos servidores "Windows Servers" da Finep.

ENTRETANTO o questionamento ensejou reflexões a respeito da conveniência em se exigir as declarações descritas no item "6.1" do Termo de Referência ao item "2" do Lote Único. Como dito acima o item objetiva estender funcionalidades. Outro fato é que não é produto de comercialização comum pelos parceiros da Microsoft. A manutenção das exigências do item "6.1" do T.R. ao item "2" do Lote Único pode limitar a concorrência no certame licitatório.

SENDO ASSIM deve-se considerar que as declarações descritas no item "6.1" do Termo de Referência são aplicáveis aos itens "1" E "3" do Lote Único, não sendo necessárias ao item "2" do Lote Único.

Dito isso, os itens Edital 13.6.4. "a" e Termo de Referência 6.1 leia-se:

O Licitante deve fornecer Atestados ou Declarações expedidas por pessoa jurídica de direito público ou privado que comprove terem o Licitante e seus subcontratados (se houver) prestado serviços compatíveis em características, prazo e 50% (cinquenta por cento) da quantidade dos objetos da licitação (itens **1 e 3** do lote único).

MINISTÉRIO DA  
CIÊNCIA, TECNOLOGIA  
E INOVAÇÕES

Sônia de Bessa Alves

# Transform your enterprise with Microsoft subscriptions

Connect, protect, and empower every employee, from the office to the frontline worker, with a subscription plan that enhances productivity and drives innovation.

## Microsoft 365

Stay connected and get more done with intelligent apps and experiences, integrated cloud services, and built-in security.

## Office 365

Create, share, edit, and collaborate in real time from anywhere on any device with a cloud-based suite of productivity apps and services.

## Microsoft Enterprise Mobility + Security (EMS)

Protect and secure your organization and empower your employees to work in new and flexible ways with an intelligent mobility management and security platform.

## Windows 11

Benefit from a highly secure and manageable productivity platform that runs on a wide variety of hardware devices or in the cloud.
